Sheila E. Mitchell
Chief Probation Officer

On November 1, 2005, the Internal Communication Group met at the Adult Probation Department to discuss improved communication between law enforcement agencies working Santa Clara County and the City of San Jose. Members of the committee included the San Jose Police Department Megan's Law PC 290 team, City of Campbell Police Department, the Santa Clara County Adult Probation Department, the San Jose Parole Office, and the Santa Clara County S.A.F.E. Task Force.

Through this meeting, the following recommendations were made:

- To develop a specific contact within the Adult Probation Department to act as a liaison between the Probation Department and local, state, and federal law enforcement officials targeting registered Sex Offenders.
- To create a specific sex offender caseload that identifies and supervises high risk sex offenders.
- To work with law enforcement agents to actively search for Registrants who have violated their terms of Probation and/or Parole.
- To have participating Santa Clara County Agencies meet on a regular basis to discuss matters pertaining to Registered Sex Offenders, trends, and other related topics.
